WA's Best Hospitality Suppliers 2013

Lion, one of Australia's major brewers, was a big winner at the 2013 AHA Brand One WA Hospitality Supplier Awards held at Crown Perth last night.

Lion picked up four awards including being judged WA's Best Hotel & Hospitality Supplier 2013 for the second year in a row.

The WA Hospitality Supplier Awards are held annually to recognise the excellent product and service providers which support Western Australia's hospitality industry.

Coca-Cola Amatil and Sealanes also featured strongly, while industry icon Sam Paino from Sealanes was recognised with the Hospitality Industry Achievement Award, presented by AHA CEO Bradley Woods.

Australian Hotels Association (WA) CEO, Bradley Woods, said it was a momentous night for the hospitality industry in Western Australia.

"Last night's awards recognise the delivery of excellence by product and service providers to the State's hospitality industry," Mr Woods said.

"The hospitality industry deserves to be rewarded and recognised for outstanding achievement in ensuring the State has great hospitality and tourism services and products.

"The Awards also recognise important relationships between industry and suppliers that maintain jobs, business reputations and strengthen WA's ability to provide a dynamic, innovative and reliable hospitality sector."

More than 550 people attended the awards ceremony.
