## **Industry excellence recognised at AHA's supplier awards**

Carlton & United Breweries was a big winner at the 2011 AHA 'Synergy' WA Hospitality Supplier Awards held at Burswood Entertainment Complex, Perth, last night.

Lion Nathan picked up three awards including being judged the 2011 Hospitality Industry Supplier of the Year.

Coca-Cola Amatil and Lion Nathan also featured strongly, while industry veteran Lester Brett from Peacock Bedding was recognised with the Hospitality Industry Achievement Award.

Australian Hotels Association (WA) CEO, Bradley Woods, said it was a significant night for the hospitality industry in Western Australia.

"Tonight's awards recognise the delivery of excellence by product and service providers to the State's hospitality industry," Mr Woods said.

"The hospitality industry deserves to be rewarded and recognised for outstanding achievement in ensuring the State has great hospitality and tourism services and products.

"The Awards also recognise important relationships between industry and suppliers that maintain jobs, business reputations and strengthen WA's ability to provide a dynamic, innovative and reliable hospitality sector."

More than 500 people attended the awards ceremony.
