Hospitality Speaks 2010

Tuesday 1 June

Time Topics & Speaker

10.00am - 10.30am **REPORT ON WA'S NEW MAJOR PROJECTS AND ECONOMIC DIRECTION**
Bill Marmion, Liberal Party Parliamentary Secretary

Bill Marmion was formerly a respected consultant with a background in engineering, he is now one of the key figures of the Barnett led Liberal/National State Government.

As Parliamentary Secretary to the Premier, Bill will provide delegates with key information relating to the future of WA, including:

- How the government is supporting industry
- What new developments are on the horizon
- Why WA is a great place to do business

10.30am - 11.15am **A LOOK INTO THE FINANCIAL FUTURE – STAY AHEAD OF THE GAME**
Scott Pape, The Barefoot Investor presented by HOSTPLUS

The Barefoot Investor is Australia's favourite money guy. According to Sir Richard Branson the "Barefoot Investor makes finance fun"

Don't miss out on Scott's simple steps to improve your financial position plus insights into interest rates, property, shares and the sustainability of the resources sector.

An industry expert and Scott will provide thoughts as to what's ahead for the economic climate and how it will affect the West Australian hospitality industry. Discover how customer spending has changed and what you and your staff can do to build a secure financial future.

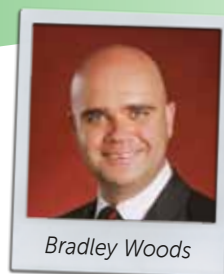

11.15am - 12.00pm **NATIONAL HOTEL & HOSPITALITY ISSUES**
Australian Hotels Association CEO's Panel

AHA CEO's from throughout Australia have come to Perth to address delegates on the major issues confronting the hotel and hospitality sector across the nation. Topics covered include: industrial relations, alcohol taxation, accommodation industry direction, liquor licensing, lockouts, glassings, alcohol restriction and tourism development.

12.00pm - 12.30pm **TACKLING THE NEW INDUSTRIAL AWARDS – AVOID UNNECESSARY FINES**
AHA(WA) Workplace Relations Team

The AHA(WA)'s workplace relations experts provide simple and effective ways to deal with the new modern award.

12.30pm - 1.15pm **Foster's Group Industry Networking Lunch**

Bradley Woods

Scott Pape

Max Hitchins

Wednesday 2 June

Time Topics & Speaker

10.00am - 10.40am **WA HOTEL & HOSPITALITY ISSUES IN FOCUS**
Bradley Woods AHA(WA) CEO/Executive Director

The industry is facing an onslaught of issues this year. Bradley Woods turns up the heat on how the AHA is leading and responding to issues such as glassing attacks, industrial relations changes, Tourism WA, red tape in business, alcohol restrictions, patron behaviour and more.

10.40am - 11.15am **THE ENFORCERS – HEAR FROM THE TOP**
Liquor Enforcement Unit - WA Police

Join WA Police Licensing Enforcement Division Detective Superintendent, Jim Migro, and Specialist Enforcement & Operations Portfolio Assistant Commissioner Shayne Maines, in focussing on police enforcement of the liquor industry on national, state and local levels. Police across the country and around the State have focus points of concern. Find out what they are; what expectations Police have of licensees and how the industry and Police can work together to achieve common goals.

Don't miss this unique opportunity to ask questions of two of WA's top cops.

11.15am - 12.00pm **THE FUTURE OF TECHNOLOGY – HOW TO SURVIVE IN TODAY'S COMPETITIVE MARKET PLACE!**
Max Hitchins, The Hospitality Doctor

In Australia Max is called the 'Hospitality Doctor'. In Asia he is called the 'Internet magician' and in America when he spoke at the world's largest Hospitality exhibition he was introduced as 'The Wizard from Oz'.

Technology has been a major issue in the hospitality industry for many years with less than 50% of businesses using available technology products to run their business. Learn how to make your business stand out by getting busy online.

12.00pm - 12.30pm **BUILDING A GREEN BUSINESS**
Ian Knox, HFM Asset Management

Discover large energy savings through cutting edge solutions! Leading consultant Ian Knox provides essential information for owners, managers and supervisors that are serious about implementing sustainable solutions to reduce their carbon footprint.
