APPROVED MANAGERS

APPROVED MANAGER APPLICATIONS *Liquor Control Act 1988*

Lodgement Guide

Approved Manager Applications are only accepted online via the Department's website at www.rgl.wa.gov.au.

WHY APPLY TO BE AN APPROVED MANAGER?

The licensee needs to appoint an individual (*the "Applicant"*) to supervise and manage the licensed premises at all times when business is conducted at those premises.

For those licences where there is only one licensee and the licensee is a natural person (*an individual*), that person may personally supervise and manage the licensed premises as if he/she were an approved unrestricted manager.

There are two categories for the *Applicant* to choose from:

Unrestricted	Enables you to be employed as an Approved Manager at any type of licensed premises.
Restricted	Enables you to be employed as an Approved Manager at licensed Club, Club Restricted and Occasional licensed premises only.

TRAINING REQUIREMENTS

In order to apply for approval as a manager you, the *Applicant*, must have successfully completed the required training. Approval as an Unrestricted manager requires the applicant to attain competency in either the Course in Management of Licensed Premises or the former Course of Liquor Licensing. Restricted managers must attain competency in a nationally accredited Responsible Service of Alcohol course.

A copy of the relevant training certificate must be providing when lodging the application online or at a participating Australia Post office.

The **Course in Management of Licensed Premises** has the following course code:

- Course in Management of Licensed Premises (52473WA:MLP1)

The **Course in Liquor Licensing** includes the following course codes:

- Course in Liquor Licensing (52065)
- Short Course in Liquor Licensing (51544)
- Course in Liquor Licensing (51136)

The **Responsible Service of Alcohol** course for **Restricted managers only** includes the following course codes:

- Provide Responsible Service of Alcohol (SITHFAB201)

Please see the list of [Approved Training Providers](#) on our website.

POLICE REQUIREMENTS

When lodging the application you must also lodge a copy of a **Police Certificate not older than 3 months**, obtained from:

- Australia Post;
- WA Police;
- Federal Police; or
- other approved providers listed on [Crim Track](#)

Please note that Police Certificates will only be accepted if they are not older than 3 months and any that are lodged after this time will unfortunately be insufficient for the purposes of this application. LODGEMENT AND PAYMENT

Please see page 5 for detailed instructions on how to apply online.

Upon completion of the online application form an **Application Summary** will be automatically generated. The document consists of two (2) pages, the first page will detail how to lodge the Application Summary at a participating Australia Post Outlet and what types of identification will be required in order to have your photo taken for the ID card, and the second page will have your personal details listed and an Australia Post barcode.

The first page of the Application Summary will also indicate an **expiry date**; after this date has elapsed the Australia Post will not be able to accept payment for your application and the online application will automatically expire. In order to obtain an updated Application Summary you can simply re-apply by logging into your account and re-starting the application form. A new Application Summary will be generated for you with a new expiry date.

Payment must be made in full at the participating Australia Post outlet when you submit your application summary and any supporting documents.

See page 4 for the fees and charges required for the application you are applying for.

PROCESSING

Your application for approval will not be deemed fully lodged until you have taken the Application Summary, specified documents and paid the fee indicated on the form to a participating Australia Post outlet.

Please note that only a **copy** of your document(s) should be submitted at Australia Post as all documents submitted at Australia Post will be taken by the Customer Service Officer and will **not** be returned to you.

To find your nearest participating Australia Post outlet visit [Australia Post Office Locator](#).

Once the fee is paid you will be given a receipt which **must** be retained as proof of lodgement of your application.

Keep this receipt on your person in lieu of your ID card, as it enables you to act in the position that you have applied for until you receive your ID card (or as otherwise advised).

Once all documents have been lodged with Australia Post your application will be processed at our department within five (5) working days. If approved, you will be issued with an Approved Manager Approval ID card thereafter.

APPROVAL OF APPLICATION

- The ID card that you receive will be required to be kept on your person at all times whilst working in the capacity of Approved Manager and **must** be shown to an authorised officer on request. (*Authorised Officer being an Inspector from the Department of Racing, Gaming and Liquor or from the WA Police force*).
- Please note that the ID card will not be suitable as identification in any other circumstance except as an Approved Manager at licensed premises.
- The Approved Manager Approval ID card is valid for a period of five (5) years (*unless stated otherwise*) and the expiry date for each card will be detailed on the card along with the person's approval ID, name and approved restriction. Prior to the expiry of your ID card you will be advised of how to renew your approval.

- An Approved Manager may be hired to work at any licensed premises at which their restriction category is valid (**Restricted Approved Managers can only work at Club, Club Restricted and Occasional licensed premises**). The ID card acts as proof that you have been approved by this authority therefore licensees do not need to inform the licensing authority when they hire managers, or when a manager resigns.
- **Please be sure to retain your log in details, and update your account as your details change, to ensure that you continue to receive information pertaining to your approval.**

ACCESSING YOUR APPROVAL VIA YOUR ONLINE ACCOUNT
